WORK EXPERIENCE

Fresher Candidate

I'm Sourav Halder, fresher candidate looking for jobs in IT industry. I'm enthusiastic and dedicated aspiring Web Developer passionate about crafting seamless and user-centric digital experiences. Proficient in UI/UX design and front-end technologies such as figma, HTML5, CSS, JavaScript, and React, coupled with a little bit knowledge in back-end development using Node.js and Express. Eager to contribute innovative solutions, learn new things, and grow within a dynamic team environment.
